SPRING AILMENTS

There is an aching and tired feeling; the liver, bowels and kidneys become sluggish and inactive, the digestion impaired, with little or no appetite, no ambition for anything, and a feeling that the whole body and mind needs toning up. The trouble is, that during winter, there has been an accumulation of waste matter in the system. I Can do all My Own Work

"I feel it my duty to tell you what your medicine did for me," writes Mrs. Blanche Marshall, of Whiting, Jackson Co., Kansas, Box 139. "I was severely afflicted with kidney trouble and female weakness. In less than three months the trouble became so bad I could hardly walk around the house. I suffered almost everything. Seeing your advertisement in our paper concluded to write Dr. Pierce. After receiving your kind advice I immediately began taking your medicine. After taking two bottles of 'Favorite Prescription' alternately with two of 'Golden Medical Discovery,' and using one box of 'Lotion Tablets' I am entirely cured. I can do all my own work without any trouble. I take great pleasure in recommending Doctor Pierce's medicines to all suffering women."

I used a sample bottle of Herbine, found it helped me; then bought two bottles, which completely cured me. I feel grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering from malaria, as it will surely cure them."
